

Compassionate Leader - Level 5 Management Programme

There's brilliance in the collective

The **Compassionate Leadership Academy** has been mapped into the **Operations or Departmental Manager Level 5 Apprenticeship** to offer a funded inspirational programme.

The main themes cover:

- Individual authenticity – devoted to mindset, recognising and accepting your authentic self.
- Collective brilliance – giving practical tools to become a compassionate leader.
- Operational management – skills to be an effective manager.
- The programme covers 17 live online three hour masterclasses and 30 online modules.

What qualifications do I achieve:

- CLA Plus Compassionate Leadership Academy.
- Operations or Departmental Manager Level 5 Apprenticeship.

Further support

Mentoring platform.

Peer mentoring within the business to drive culture changes, motivation, collaboration and networking.

Mental Health and wellbeing platform.

An outstanding Quality Care Commission platform provider. Staff have access to wellbeing resources to support themselves, family and colleagues. Raising literacy awareness and provided by psychology led evidence.

A unique collaboration

The **Compassionate Leadership Academy** is delivered in partnership with Positive Transformation Group (PTG) and Ixion Holdings.

What makes us unique:

Compassionate Leadership Academy are the content providers with the acclaimed and accredited Institute of Leadership CLA programme.

PTG brings the best learner journeys to the market, tailoring them with specialist know how and underpinning with their unique supported learner journey platform.

Ixion are the Ofsted 'Outstanding' registered apprenticeship training provider who manage the funding, quality assurance, governance and assessment.
